

## Cable connector

P/N:2.92-JHE086

## Features:

- Up to 40GHz
- Compatible cable:RG405

## Electrical Specifications:

Item	Specification
Impedance	50Ω
Operating frequency range	DC-40GHz
VSWR	≤1.30
Dielectric withstand voltage	500V rms
Insulation resistance	≥5000MΩ

## Structural Materials and Plating:

Structure	Material and plating
Body	Stainless steel,Passivated
Dielectric	PEI1000
Contact Pin	Beryllium copper,Gold plated

## Environmental&amp;Mechanical specifications:

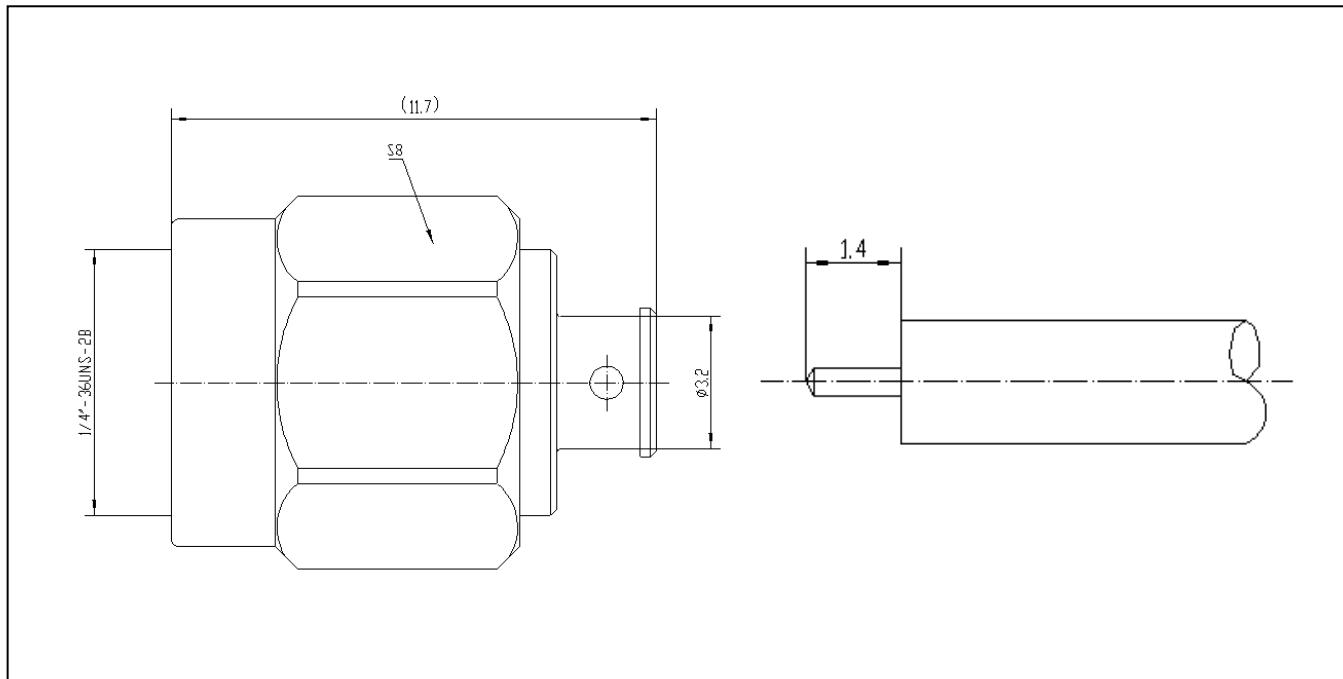

Item	Specification
Temperature range	-55°C to +125°C
Durability	≥500 cycles
RoHS	Compliant
